

# Youth Council Commitment to Participate in The National Initiative to Strengthen Native Families

The National UNITY Council has voted to undertake a service project with the mission of building a stronger nation by designing, organizing and carrying out a ***National Initiative to Strengthen Native Families (National Initiative)***.

The \_\_\_\_\_ will participate in the National Initiative to  
(Name of youth council)

Strengthen Native Families and commits to:

1. work cooperatively with other youth councils and Initiative partners as appropriate to further the stated mission,
2. plan, organize and carry out at least one National Initiative related project in collaboration with other participating youth councils and Initiative partners,
3. employ its best efforts to ensure the project's successful completion,
4. complete the project by September 29, 2008, and
5. work cooperatively with the others involved in the project to produce a jointly written final report.
